$$1 + 1 + 1 = \text{One}$$

It really isn't so difficult to figure this equation out when God's Mathematics are taken into account!

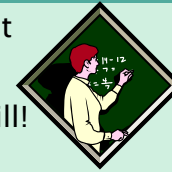

- **1 + 1 + 1 = One**
When one Lutheran church and one Pentecostal church and one Baptist church agree to share one facility in Coon Rapids.
- **1 + 1 + 1 = One**
When one white pastor and one black pastor and one Filipino pastor from three very different cultures and Christian traditions agree to bless each other from within their unique and separate ministries.
- **1 + 1 + 1 = One**
When three different churches from three different denominations regularly meet after the conclusion of their separate worship services for fellowship with each other and to work together to help the hurting in the Coon Rapids area.

We 3 Christian churches are “all for one and one for all” in Jesus Christ!

$$3 + 6 + 1 = \text{One}$$

This part is a little bit trickier, but it still adds up when you work the equation out according to God's will!

- **Three Christian churches**
We are three Christian churches... Olive Branch, Waters of Life, and Filipino American in name.
- **Plus six points of interest...**
We are 1) Inter-cultural, 2) Inter-denominational, 3) Inter-racial, 4) Inter-generational, 5) Inter-active in our ministries and 6) Inter-connected through faith in Jesus Christ.
- **Plus one common vision...**
We are growing in a personal relationship with God and each other. And together we are on God's mission to transform ourselves, our families, our churches, our community and the world through God's amazing gifts of prayer, encouragement, and grace.
- **It all still adds up to One**
One Lord Jesus Christ and the fulfillment of his prayer for the church on earth: “Holy Father, protect them by the power of your name—the name you gave me—so that they may be one as we are one.” John 17:11

Have you figured it out yet?

God is doing something truly remarkable through his Christian church on earth in the city of Coon Rapids!

Worship with any one of us. Then work and fellowship with all of us!

But now one more thing...

Let's add you and your family to the equation and see what happens next!
